Your Newspaper Works For Victory

EDITORIAL

This is National Newspaper Week and The Daly City Record and Shopping News would like to discuss for a moment what that means to us—and to you.

Slogan for this year's observance, for papers ranging in size from the greatest metropolitan daily to your local weekly, is "The Newspapers Go All Out for Victory". This is not just another

fine-sounding theme. It means business. Every reputable paper in the nation is today donating hundreds of inches of space to further the national war drives—the sale of bonds and stamps, the salvage of vital scrap materials, the organization and maintenance of adequate civilian defense.

A brief glance back over your last few issues of The Record will graphically portray that your own home-town paper is constantly "All Out for Victory". Story after story gives you the latest details on the war effort. This is as it should be. The Record staff has faith in this community; it knows Daly City is doing its part.

On a less immediate, although just as important, score The Record is doing its level best to serve you. It is constantly trying to promote Daly City's growth and progress. No project goes unheralded. The Record wants to see Daly City do its part for Victory, while adhering to those principles which will make it a worthwhile community now and in the peace to come.

Probably few of you have ever actually called on us in person. We regret that . . . but there simply was not time to have an open-house this year. When you do call in to see where your Record goes to press, you'll be amazed at the personnel, the intricate machinery and the effort that must be used each week to get your paper to your door. This newspaper has a large staff, for a weekly. Payroll exceeds $10,000 annually. And there's not a person on that payroll who isn't interested in giving you the very best paper possible. Naturally, we can't please all of the people all of the time. But please believe this—we do our best. We'd like to call your attention, too, to the foresighted advertisers of this community. Their faith in advertising and in Daly City makes possible a larger and more interesting newspaper.

In conclusion we'd like you to think for a moment of the part a free press plays in the maintenance of a democracy. As Thomas Jefferson stated, in the early period of our history, "Our liberty depends on the freedom of the press, and that cannot be limited without being lost."

Wardens Ask Help For Dimout Patrol

Appealing to the Civilian Defense Council, last Thursday, a delegation from Daly City's air raid warden service asked for more aid from auxiliary police officers in patrolling the city nightly on dimout duty.

New statewide speed limits, lowered to 35 miles per hour, and the dangerous traffic condition at night here under dimout conditions were given as reasons for the need of more help.

Shortages of air raid wardens in some sectors have necessitated the formation of mutual aid between sectors. For instance, in sector 13, a majority of the wardens work at their regular jobs at night. To relieve the remaining wardens from serving nearly ev-

It's Not Too Late To Attend Night School

There is still time to enroll in evening classes offered at Jefferson Union high school. There is no charge—your attendance is all that is necessary.

Classes meet every Tuesday and Thursday, from 7 to 9 p. m., with the popular members of the faculty as instructors. The courses offered are so varied that they should prove tempting to every one.

Bookkeeping, duplication, different types of machine calculation, stenography and typing are offered for those interested in business instruction.

For those wishing to make their own Christmas presents or start a hobby, there is the art and craft course. Ceramics, glove making, hand blocking, jewelry, weaving, photography, and wood carving are just a few of the things offered.

Courses in Americanization and English are also taught.

Change Pick-Up Day To Tuesday In Tin Can Drive

Weekly pick-up day for Daly City donations of tin cans to the national tin salvage drive is changed from Friday to Tuesday, the local Salvage for Victory committee anounced this week. All housewives are asked to save their tin cans, prepare them properly for salvaging, and give them to grammar school children in time to be brought to the schools each Tuesday.

The pick-up day was changed to make it more convenient for city trucks to pick them up at the schools and transport them to the detinning plant in South San Francisco. The tin salvage program's local collection places are at each of the schools in the Jefferson Elementary School District and the pupils are Daly City's official collectors.

Since the opening of the school year, Jefferson district's pupils have accepted with wholeheartedness the task of collecting all the tin cans in Daly City households. In the second week of their collection, they turned in a total of 3,053 pounds for their largest donation. However, all children are determined to surpass even that total in the weeks ahead. Many of the grammar school classes are

Name Collection Depots For Keys

If you have any old keys for which you have no use, keys which have either outlived their locks or long parted from their locks, the Daly City Salvage for Victory committee will turn them over to war plants to increase America's supply of scrap metal.

Four collection depots for old keys have been set up in Daly City. Large glass jars have been placed in the depots, and the keys can be dropped in the jars. Following are the four collection points: Bank of America, Colma branch, San Pedro avenue and Rainier; Bank of America, Daly City branch, 6298 Mission street; McGraw Brothers Pharmacy, 6300 Mission street; and Central Creamery, 6331 Mission street.

NEW FIRST AID CLASS

An announcement of a new first aid class was released early this week from the office of R. L. Crane, local Red Cross director.

Classes will be held in advanced first aid every Monday and Thursday evenings at the Crocker school, 7:30-9:30 p. m.

Mrs. Louise Robertson will be instructor. All interested are invited to attend.

Fire Chief Urges Observance Of Fire Protection Week

Importance of having every man, woman, and child in this community accept the responsibility for aiding the Daly City Fire department in the prevention of fires was stressed by Fire Chief A. P. Chesney, Monday, as he announced the observance of Fire Prevention Week, beginning Sunday and continuing next week.

Chief Chesney received official notice from Governor Culbert L. Olson, Monday, that Fire Prevention Week will be observed in California next week, and the local fire chief asked every Daly City citizen to observe the occasion by taking greater care to prevent fires which endanger life and property.

"Fire Prevention Week is observed not for persons to take great pains in helping to prevent fire during that special week, and then forget all about it," Chief Chesney said, "but it is observed to signify the start of an all-year safety campaign to prevent fires.

"I am confident that the people of Daly City will cooperate in keeping fires in this community at an absolute minimum—the same as we have enjoyed in the past."

Chief Chesney pointed out that this year more than ever before the citizens of this community must realize the part they must play in fire prevention.

One of the most outstanding measures, asked currently in the face of nationwide gasoline rationing, is the warning to motorists not to hoard gasoline in their homes. Not more than five gallons is allowed at a time, according to Chief Chesney. California is in a combat zone, an added reason why gasoline hoarding is a menace to public safety, he added.

Civilian defense duties have taken much of the fire department's time since the outbreak of

Hears From Son In Jap Prison Camp

Cheered to learn that her son was safe and in the best of health, Mrs. Ronald A. Smith, 258 Templeton avenue, received the first direct word from him, last week, when a letter arrived from a Shanghai War Prisoners camp. Her son is Donald Smith, American seaman who has been imprisoned by the Japanese since his capture last January.

A second engineer on the Matson freighter, Malama, the Daly City youth was interned by the Japanese with 32 other members of the crew after the freighter was boarded by enemy Japanese. The ship was reported lost at sea last March after a bombing in Pacific waters. At that time no word had been received here by Smith's mother.

It was not until June that Mrs. Smith finally learned that her son was alive and safe. This information was forwarded to her by the International Red Cross. Another reassurance preceded young Smith's letter by a week, when in the September 14 issue of Life magazine a feature containing pictures of Japanese held American prisoners appeared. Mrs. Smith recognized her son's picture in a group photograph taken at the prison camp. Then came last week's brief message to his mother, the signature of which was verified by her. Following is the message:

"Dear Mother, I am sure that you will be glad to hear that I am in China and in the best of health. Our life here is satisfactory and the time seems to go

Church Sets Dates For Annual Festival

Preliminary plans for the annual Fall Festival at Our Lady of Perpetual Help church are now under way. Friday, Saturday, and Sunday, October 30, 31, and November 1 were set as dates when the gala bazaar will be held.

Co-chairman, Roy Thompson and Eugene Lynch, were selected to make all arrangements for the affair. A committee to serve with them will be announced later.

Scene of the three day festival has not yet been selected, although suggestions have been made to the co-chairmen. Games will be played and booths will be erected for the enjoyment of all who attend.

Change Tactics In Daly City Waste Fats Campaign

Change of tactics to increase local salvaging of waste fats and greases was maneuvred by the Daly City Salvage for Victory committee, this week, as it announced that butcher shops here would pay 3 cents a pound to housewives who delivered fats and greases to their shops.

Speaking for the salvage committee, R. L. Crane jr., chairman, stated that the following markets have been designated to date: Colma Meat Market; Farmer's Meat Market; and Milo's Market. Others may be named later.

The steps were taken here to rectify an almost stagnant fats salvage campaign. San Mateo County's Salvage committee adopted a policy at the outset of the fats campaign whereby fats and greases were strictly donated. Housewives here were making donations of the material, while in San Francisco they were getting three cents a pound for it. Consequently, the campaign lagged in Daly City. Under the new plan set forth by the local committee and sanctioned by Lilienthal, county salvage head, Crane expects to see a considerable boost in donations of fats salvage.

In every butcher shop which collects waste fats and greases, the Salvage committee has placed milk bottles for donations to the San Mateo County Blood Bank. When a housewife sells her waste fats to the butcher, she can drop the pennies in the milk bottles

Council Passes Two Resolutions At Monday Session

With the passing of two routine resolutions, the city council closed a brief session, Monday evening, at the city hall. Communications were few in number, and no committees reported at the short meeting.

One resolution authorized the city to accept a deed on real property acquired from Wililam H. Hamilton and located on lot 27, block 6 on Hillcrest drive. The other resolution adopted cancelled a warrant which was passed by the city council and later revoked after a decision not to draw it up.

Arthur J. Bodien, city purchasing agent, reported that the closing of the Daly City WPA Recreation department, effective today, would require the removal of city equipment from the building. The council, however, elected to leave the building as it is and to seek a voluntary recreation group to maintain the activity in this community.

Fire Chief A. P. Chesney reported costs of repairs at the Company 1 firehouse, 188 Santa Barbara avenue, in installing new doors, and suggested other improvements to the floor under city finance. Mayor A. J. Gaggero asked Chief Chesney to submit a report.

Jeff To Play First Game On Own Field

Groomed for action here tomorrow at 3:15 p. m. when they open the home football season, Jefferson gridders will wind up drills today. They are prepared to meet a strong Bellarmine high school team at Jefferson field.

The Indians got a fast start, last week, on the 1942 season when they broke a seven year jinx in defeating Tamalpais high school 6 to 0, the first victory the locals have scored over their traditional opening rivals. A running play, with Bill Freeman toting the ball, netted Jefferson's victory touchdown in the first six minutes of play. However, the Jeff offensive slowed down for the remainder of the game, and two or three more chances to score were muffed.

In tomorrow's tilt, Jefferson's Coach Glenn South is more con-

This Is Your War - How Much Scrap Metal Will You Have Ready, October 11 or 18?

In trying to help meet what War Production Chief Donald M. Nelson terms "America's most critical shortage," the Daly City Salvage for Victory committee yesterday announced the dates for the house to house canvass for scrap metal. The dates are October 11 and 18.

The part every Daly City resident must play in this vital war drive calls for him to rummage through attic, house, basement, and garage, collect every old or discarded bit of scrap, and place it in front of his house, on the curb, on the day that the pick-up will be made in his territory.

Scrap metal from all homes located north of Wellington avenue and Bepler streets will be collected, Sunday, October 11. Scrap from homes on all streets south of Wellington avenue and Bepler street will be collected, Sunday, October 18. The job for every resident now is to get that scrap ready for the collectors and place it out on the curb in front of his home, on the proper Sunday morning.

City trucks will be used in collecting the scrap and members of two service organizations, the

Legion and V. F. W. are the authorized collectors.

The support of both of Daly City's service organizations was pledged to the Daly City Salvage for Victory committee, Chairman R. L. Crane jr. announced yesterday.

Emil Pahlka, commander of Daly City Post No. 410, American Legion, informed the salvage

(Continued on Page 2)

Your War

(Continued from Page 1)

committee of the support of the Legionnaires in gathering scrap metal. The program was presented to the members at a meeting, last week, and met with unanimous support.

Folowing the Legion's action, Crane received word Tuesday from Howard McHugh, commander of the Old Glory Post No. 2044, Veterans of Foreign Wars, that the local veterans pledged support of the drive. McHugh, who has been an active member of the Civilian Defense Council since the war began, named a committee composed of Walter Lehigh, Roy Brulez, and Walter Dorn. This committee will lead other members of the organization in collecting the scrap metal on the two pick-up days.

Representing the Legion, the following committee was selected: August Hansen, chairman; John Matzek, Marall Smith, and Felix Foreman. All members of the Legion are expected to turn out for the campaign on both collection days.

Meanwhile, other industrial and city donations of scrap metal continued. From the city water department over four tons of old equipment from the pump house was turned over to the national salvage program. Proceeds of this, however, will be returned to city funds.

One salvage minded patriot of Daly City, John "Sunny" Callan, city employee, on his day off, Monday, boosted Daly City's quota by three and one half tons when he collected scrap metal in the city truck.

Now it remains for citizens of this community to donate the scrap from their homes. Efforts of voluntary donations at a centrally located collection place have fallen down, not only in Daly City, but in other communities in the nation, according to salvage authorities. The chance to rectify this indifference to America's war production arrives in Daly City on two days, the successive Sundays, October 11 and 18.

Change Pick-Up

(Continued from Page 1)

getting results by having interclass contests to see which side can collect the largest poundage.

Housewives of this community were urged by the Salvage committee to show the same patriotic effort that is displayed by their children in seeing that all tin cans in the kitchen are turned in. National salvage authorities estimated that old tin cans from the nation's kitchens will yield over 3,000 tons of pure tin and 297,000 tons of steel scrap per year when the campaign reaches its peak.

But this gigantic recovery program will be successful only when Daly City housewives and the housewives of all other communities in America furnish properly prepared tin cans to the detinning plant.

To properly prepare these tin cans for collection, housewives are asked to cut ends of the can until only a small portion remains attached, cleanse by running water through the can, bend the flaps into the can, and flatten the can by stepping on it.

cerned. It is a strong opponent that Jefferson meets in Bellarmine. A preparatory school for Santa Clara university, Bellarmine will invade Daly City tomorrow with eight first string veterans from last year's team in the lineup. Coach South expects to start the following lineup for the Jeffs: Steele and Capps, ends; Faulk and Vaughn, tackles; Nelson and Fellows, guards; Ekers, center; Ghilarducci or Callan, quarterback; Van Kirk and Borg, halfbacks; and Picchi, fullback.

No admission will be charged for tomorrow's game, and the public is invited to attend.

"I hope that you are all well at home and that I will be able to see you again soon. Give my love to Dad and the boys and Nadine and the twins. Your loving son, Donald."

Smith has been going to sea for the past ten years and is classed as a first class engineer, although he served on the Malama as a second class engineer. He attended local schools before going to sea.

Another son of Mr. and Mrs. Ronald A. Smith, Grant Smith, is serving with the Army Air Corps, having recently received his wings at Phoenix, Arizona.

ery night on dimout patrol, a mutual aid agreement has been arranged with sector 14. Both sectors are combined for dimout duty, thus making an even distribution of wardens on duty each night. One man does not have to patrol so often.

Meanwhile, civilian defense headquarters in the city hall announced the second re-organization of the master file containing the names of all civilian defense workers of the community. Change of residences and completion of training make it necessary to straighten the file. The task will be done by volunteer workers from the high school who are forming a Junior American Women's Voluntary Services in the school. Two girls who will work on the master file are Miss Anna Crossland and Miss Shirley Wright, although more are expected to volunteer.

and help one of the county's most worthwhile causes, the blood bank. However, this is entirely voluntary, Crane added.

Waste fats and greases which are salvaged are used in the preparation of glycerin for manufacturing high explosives. "Fats Make Explosives, Explosives Get Japs," is the slogan of the local campaign.

In preparing fats for the butcher, housewives were asked to keep raw fat separate from cooked fats and greases. Also, the material should be placed in a tin can, not a glass container.

Mrs. Keagle Resigns Woodrow Presidency

Tuesday, at a specially called executive board meeting, members of Woodrow Wilson P.T.A. received the resignation of their president, Mrs. Hazel Keagel. They expressed regret at the announcement.

Due to unforeseen circumstances, Mrs. Keagle found it impossible to continue her duties in such an important office. After due consideration, the resignation was accepted, and Mrs. Keagle was given the position of chairman of parent education.

Mrs. Ida Hanley, vice president, will take over the duties left by Mrs. Keagle until the next regular meeting, October 13, when an election will be held.

the war and the need for training fire volunteers. Despite all this, the Daly City Fire department has been able to give the same protection against fires as before. But the need for every resident to extinguish matches and cigarettes properly, and to take care of electrical equipment and household wiring was emphasized by Chief Chesney.

The Civilian Defense Council was called upon, along with defense councils of other communities in the Ninth Regional district, to play an important part in Fire Prevention Week.

Court St. Mary To Hold Whist Tonight

Following a short business meeting, a public whist will be held this evening by Court St. Mary No. 1155, C. D. A. Playing will begin at 8:30 p. m. in Masonic hall. The public is invited to the whist.

At the group's last meeting it was decided to eliminate the regular Christmas party. In its place, Christmas boxes will be sent to the sons of members, who are in the armed services. Mrs. Evelyn Weckerle, past grand regent and present historian, is in charge.

An election was held to fill the vacancies left by the resignation of several of the officers. Mrs. Frances Tamony was chosen grand regent and Mrs. Virginia Rengstorff, vice grand regent. Mrs. Ida Grummel and Mrs. Gladys Walden were chosen as trustees.

Dorothy Lamour Stars In Jungle Role

Returning to the screen once again in a jungle role, Dorothy Lamour, looking as bewitching as ever, arrives tonight at the Daly City theatre, as the star of the new Paramount adventure romance in Technicolor, "Beyond the Blue Horizon."

The new film features a standout cast including Richard Denning, Jack Haley, Patricia Morison, Walter Abel, Helen Gilbert and Elizabeth Patterson. In many ways "Beyond the Blue Horizon" is superior to the five previous jungle films starred in by Dotty Lamour. Sandwiched in between the many thrills are some hilarious scenes. Much of the fun was engendered by an amazingly intelligent chimpanzee named Go-Go.

This time it is tall, blonde and handsone Richard Denning who is Dotty's jungle sweetheart.

The story concerns sarong-clad Dotty Lamour, whose parents had been killed in the jungle by Mabok, a wild elephant, when she was a child. Later she is brought to the United States by Walter Abel to claim a fortune belonging to her. It becomes necessary for her to return to the wilds for certain lost papers when her claim is disputed.

Denning goes back to the jungle with Dotty, helps her find the papers, after some thrilling adventures, and then polishes off Mabok for keeps.

Emydian Institute Initiates New Member

A very successful meeting was held, last Friday evening, by the Emydian Institute No. 154, Young Ladies Institute, Colma. Mrs. Velma Lompa was initiated into the order and was welcomed by officers and members. September birthdays were honored. Games and refreshments followed the meeting.

Mrs. Paul Guisti, chairman of the evening, thanked her committee for their splendid support in making the evening a success.

Miss Mae Varni, chairman of the Spiritual Committee, reminded members to receive Holy Communion in a body next Sunday, 8:30 a. m. mass, Holy Angels church.

Miss Jean Belli, member of the Red Cross committee, urged the girls to attend and donate as much time as possible to the Red Cross sewing, Thursday afternoons, Community Center hall, Colma.

The following members were appointed by the president to act on the flag team for the ensuing term: Gladys Assalino, Lola Guisti, Angie Varni, and Nilda Massaglia.

Next meeting of the group will be held Friday evening, October 9, 8 p. m., Holy Angels hall.

MR. AND MRS. FRANK McDERMOTT ENJOY TRIP TO CHICAGO, BOSTON, WASHINGTON, D.C.

Chicago, Washington D. C., New York, Boston, New Orleans —no they're not the words of a train announcer—they're just a few of the places Mr. and Mrs. Frank McDermott, 636 Templeton, visited this month.

The McDermott family certainly believe in the saying, "See America first." Leaving their home, September 4, the couple toured the country for 21 days, seeing places most people only read about.

This was the first trip out of California for Mrs. McDermott and was a little more exciting because of it.

The vacation also had a special meaning to her husband. It was the same trip he had taken in 1917 when he was a member of the 319th Engineers, Camp Freemont, Menlo Park, California. Then he was on his way to France; now, it was just the long way home.

While in Cleveland, McDermott attended the United Association of Journeymen, Plumbers, Steamfitters, and Refrigeration Workers of the United States and Canada. He was a delegate from the West Coast.

Friends of **J. E. Tunstall,** 236 Los Olivas street, wish him a speedy recovery after a week's confinement in St. Francis hospital. Tunstall underwent a serious eye and nose operation, early this week.

DANCE

No! That's not Simon Legree and his brother gloating over the mortgage of some p-o-o-r widow's home. Nothing so dreary. It is R. L. Gray and Frank Feno rubbing hands with glee over the wonderful response to the Pow-wow, Jefferson's first dance of the term.

"It's the heaviest return we've had in seven years," stated Gray. "We almost ran out of bids."

Who said Jefferson students haven't got spirit? Anyone in doubt, take a peek in the auditorium tomorrow night. You'll be sure to see every Jeffersonian decked out in his best war paint and feathers having a wonderful time dancing to the smart music of the Indians of Rhythm.

ASSEMBLIES

The patriotic assembly "America Sings" will be presented to the students in a pay assembly next Thursday afternoon. Joe Rodriguez has been chosen the narrator and Angelo Ditty will be the clarinet soloist. Oscar Busch's chorus will make a rich background for this inspiring work.

SINGER

Students! Mark the day of October 22 in your date book, for it is important.

At a pay assembly Miss Anne Ashley, noted coloratura soprano, will be presented. Miss Ashley is quite renowned for her beautiful voice, charm and magnetic personality. For the few pennies charged for admission, every student attending will receive many times that in entertainment.

Remember October 22 is the day!

SPORTS

At a meeting held last week, members of the G. P. A. L. elected their leaders.

Miss Sophie Sikeotis was chosen as manager; Mis Kay Lyons, publicity, and Miss Vyrnie Quick as secretary. To assist these girls are the captains of the various sports. Helen Capps heads the swimming; Ester Hanel, hockey; Elaine Slocum, tennis; and Anita Lehigh, archery.

Playing has already begun in these sports.

POOL

Have you noticed any strange boys and girls on the campus lately?

It's just part of Jefferson's friendly neighbor policy. Due to negotiations students from Balboa and Lincoln high schools and San Francisco junior college are allowed to use the swimming pool at certain times.

Hope the Bucaneers, Mustangs, Rams and Indians don't get their days wrong. What a mixture!

Classes

C. S. F.

Under the leadership of Miss Mary Seidel, the honor students have started plans for initiation of new members.

Mrs. Dorothy Pendergast, faculty sponsor of the group, reported the beginning of a drive for books and magazines to be turned over to the U. S. O.

EXHIBIT

Have you noticed the very attractive display in the front hall?

Stanley Martin, industrial art instructor, did the work himself as an example of the crafts taught in his day and night school courses.

Just looking at those lovely bracelets, rings and dishes is enough to make anyone want to sign up.

Sunday School Class Earns Outing

Maybe it wasn't supposed to happen so soon, but these lively boys do things that way!

Joseph Straughan, leader of many local scout and Sunday school activities, promised an outing on the first Monday after the first Sunday that the Boyjoy Club had over 15 boys present in class. Well, it seems that an outing is a thing to be desired, for the boys got busy and brought their friends to class. To be exact there were 19 new boys present at Grace Nazarene Church, only four Sundays from the announcement. The group had started with only four boys!

The picnic took place at Hungry Hollow. (A place that seems to live up to its name where boys are concerned.)

Those present were: George and Billy Ritter; Rodger Lillo; Billy Lemon; Billy Morgan; Billy Jesperson; Donald Foulton; Freddy Perazzo; Alex Findlay; Leroy Paul; Bernard Voelker; Loren Wedel; Frank Shreve; Bobby McCune; Raymond Hayes and two older boys, Jake Hummel, and Donald Fredrickson, assisting the teacher.

A continuous attendance and deportment contest has been inaugurated in the class. The three boys receiving the highest number of points are the class officers for the following month. As an extra reward they receive two trips to places of interest in and around San Francisco. Rodger Lillo, Bobby Raine and Frank Schreve were the winners for this month.

BOUQUETS

After such a patriotic band demonstration, Friday, it is only fitting that our bouquet contain a red, white and blue flower. And what a cute posie it is, too! Miss Betty Roots, a sophomore, is our posie's name.

Miss Roots was very neatly dressed in a navy bule sport suit. She wore a red and white "T" shirt, red stockings and white shoes. To give her outfit just a little something extra, she wore a silver identification necklace. She'd look good in anyone's Victory garden. Yes?

A high senior also claims a place on our floral offering.

Miss Gloria Tooth looked very charming in her long torso red and white crepe dress. It had a vivid red blouse, white collar and cuffs and braid decoration. The shirt was of large red and white horizontal stripes. She wore matching red stockings and a cute little dohinky in her hair. How could school be dull with such a bright thing walking down the hall?

Crocker PTA Holds Life Membership Lunch

Twenty-two members and friends were present at the Life Membership luncheon given by Crocker P. T. A., Thursday afternoon. Mrs. Margaret Holzworth, 198 Acton street, was hostess.

Following the lovely luncheon, the group sewed on articles for the coming bazaar.

Mrs. Mary Jacoby, a former resident of Daly City, motored from her home in Belmont to attend the affair.

FIRST AID CLASSES

Classes for the following first aid groups will meet during the coming week:

THURSDAY, OCTOBER 1

Miss Alice Forest Honored At Shower

"Why, what are you doing here?" were the surprised words of Miss Alice Forest a few days ago.

Thinking she was going to pay a social call on Mrs. Dean Schrieber, 33 Knowles avenue, Miss Forest found herself guest of honor at a surprise bridal shower.

Thirty friends had gathered at Mrs. Schrieber's home to wish Mrs. Arthur Smith-to-be the best of good wishes.

Making the occasion even more festive was the arrival of a dozen and a half red roses from the prospective groom. They had been wired by Smith from Lowry Field, Denver, Colorado.

Those present were: Mesdames Nonie Morris, Elsie Thomsen, Genny Johnsen, Kate Core, Evelyn Weckerle, Gladys Walden, Ida Grummel, Helen Rode, Helen McDonough, Grace Bacigalupi, Gertrude Johnstone, Thelma Beecher, Beda Larson, Alice Knight, Gladys Casavan, Mary Nell Thompson, Virginia Harville, Ida Forest, Agnes Denning, Rhoda Lawson, Jean Lachini, Margaret Schrieber. Misses Ruth Larson, Pat Lawson, Rose Siragusa, Dorothy Knight, Denyse Casagan, Marjorie and Kathleen Schrieber were also present.

Miss Forest will travel with her parents, Mr. and Mrs. A. Forest, in the near future to Denver where she will become Smith's bride. November 7 has been chosen by the happy couple as "the big day."

EVERY TOWN NEEDS A GOOD NEWSPAPER

"Let me read your newspaper and I'll tell you the kind of a town you have."

This terse quotation, credited to a business executive failing to be impressed by claims on behalf of a far-removed community in which his company had indicated interest, evidences the degree in which the newspaper of today has come to be held as accurately reflecting the life which it serves.

Later, this figure of business and the institutions of the area in finance was asked to expand his statement. His reply is a matter of import to everyone who shares interest in his or her community and some important standards by which it is judged by those outside the sphere of local interest or sentiment.

"Show me a community that has a live, aggressive newspaper, made possible by well-filled advertising pages representative of local interests, and I'll show you the town that is headed for growth and development."

AT JEFFERSON

America's present conflict and the heroes that are now making history in the Pacific theatre of war have taken the place of ancient heroes in hero stories at Jefferson school.

Don Grimes reported on the heroes of Bataan; Rose Brandi told of the harrowing experience of two aviators who spent 34 days at sea in a rubber boat; Nathan Agresti gave a vivid account of the recent Jap barbarisms inflicted upon our American prisoners. The lesson was varied by Lola Casentini, her topic for the day being, "The Tojo Cigar."

The children in the sixth grade are enjoying "The Story of the Sea", as their unit in social

studies. Many miniatures of boats and outriggers have been displayed in their classroom.

Gordon de Leon told many fascinating nautical stories about his father's deep pearl diving experience in Guam. Paul Willbanks contributed much when he showed a fine lot of boat sketches, pictures, and pirate treasure maps. Louis Merlo had a pirate's gun that was shown to the class.

The first grade is busily engaged with the unit, "The Home." This social study activity consists of collecting pictures of homes, making artistic booklets, learning new words, and oral language discussion.

New students are enrolling constantly at Jefferson. Beverly Williams, from Kansas, is now a member of the eighth grade. Nora Gyorgy, formerly of Jefferson, has returned, and Barbara Linke who attended school in Kansas is now a member of the seventh grade. The sixth grade was happy to welcome the following new pupils into their classroom: Patricia Bannon, who transferred from Seattle, Washington; Marie Ross, who came from Coffeyville, Kansas; Curtis Linke from Chase, Kansas; Archie Knob from Santa Cruz, California; Ronald Crowell from Turlock, California.

The boys and girls in kindergarten received two new classmates, Susan Williams and Richard Guisti. This brings the kindergarten enrollment to 22 for this semester. Those who entered the first week of school were Barbara Fair, Judy Graziani, Louise Jauch, Mary Sue McClain, Angela Sereni, Diane Stanghellini, Barbara De Martini, Carol Ann Devincenzi, Irene Wilson, Jerold Bocci, Kenneth Cecchi, John Dennis, Michael Flynn, Billy Martinelli, Ronald Stanghellini, Robert Gaggero, and Brenden O'Sullivan.

Jefferson pupils invested $152.05 for the purchase of War Bonds and Stamps this week.

"It's A Boy!" For Lloyd E. Stones

"The Babytown Telegraph" carried as its banner headline, this week, the news that the Lloyd E. Stones had a son, their first child, born Friday, September 25, at Franklin hospital. The baby has been named John Lloyd.

Mrs. Stone formerly was reporter and secretary at the Daly City Record office. Stone is a staff sergeant at Camp White, Oregon. Both young people are well known here. Mrs. Stone's parents are Mr. and Mrs. John L. Price, Colma.

Mrs. Stone's position at The Record has been filled by her sister, Mrs. George Stone.

Saiz Attends Fall Conference

Clive M. Saiz, of the Jefferson Union High School faculty, spent the week-end at Camp Seeley near Lake Arrowhead in the San Bernardino Mountains. He was the guest of the Fourth Annual Fall Training Conference, Teachers Clubs of Southern California. He represented the Public Relations committee of the Bay Section council, California Teachers association.

The delegates attending represented schools from Santa Barbara to El Centro and included many of the educational leaders in the south.

Subjects considered at the conference included: Committee Organization, Parliamentary Procedure, Sick Leave and Sabbatical Leave, Civic Contacts as a Specific Technique in Public Relations, Techniques of Membership Enrollment, Radio as a Specific Technique in Public Relations, Credit Union Problems, Editors of Bulletins, Health Insurance for Teachers and Other Services, Induction of New Teachers, along with Teachers Retirement and Tenure.

Saiz states that the conference was one of the most interesting that he has attended. His committee plans to hold a Bay Section conference at the Hotel Claremont, October 24, and several of the above topics will be on the program.

Ray Cloud, state executive secretary of the California Teachers' association, Redwood City, was another representative from San Mateo county.

NDGW Aid Drive To Help Children

During war years the responsibility of placing homeless children in permanent homes is doubled.

Wishing to do their part to meet this responsibility, El Carmelo Parlor No. 181, Native Daughters of the Golden West, has doubled its efforts to make this year's Homeless Children's whist the most successful of all times. "Many tiny mouths to feed and many tiny babies to clothe" is the slogan that necessitates its success.

Mrs. Florence Flynn, Mrs. Hattie Kelly, and Mrs. Christine Hulme have been appointed co-chairmen. They report that the many valuable awards received from reputable merchants in San Francisco and Daly City and a cash first prize are enough to tempt any whist player.

"If you wish an enjoyable evening and want to do your bit on the home front by aiding these homeless babies, attend this whist. It will be held, October 21, Masonic hall. Everyone is welcome," said the committee.

MISS NORTON IS NOW MRS. DAVER

One and one make one. That may be bad arithmetic but it certainly is good romance. One boy and one girl make one "Mr. and Mrs."

That was the case of Miss Lorraine Norton when she became the bride of Stanley H. Daver at a ceremony performed at St. Paul's Episcopal church, September 5, in San Francisco.

To honor the new bride a party was given in her home, last Friday evening, by Florence Spanier, Crocker avenue.

The bride was rpesented with many lovely gifts and good wishes from her friends. Games were played and a lovely buffet supper was served.

Those present were: Ruth and Maxine Morris, Margaret Weiger, Elizabeth Arbonski, Margie Wirgler, June Williams, Florence Spanier, Ruth Raffelo, Mrs. Ernest Anderson, Blanch Preciado, Gertrude Norton, Annebelle Lincoln, Jean Higgins, Lucy Hastings, Lillian Felch, Pearl Caine, Jennie Briant, and Zella Barnes.

Pershing PTA To Open Cafeteria

The executive board of the General Pershing P. T. A. met, yesterday afternoon. Main topic of the meeting was the opening of the school cafeteria, November 1.

Since the W. P. A. cooks are not available, members of the unit will take over this work. With the coming of rainy weather the serving of hot noon meals to school children is very important, the members said. Any mother interested in helping to cook or serve these meals may contact the P. T. A. president, Mrs. Mildred Rasor, DElaware 2988.

Mrs. Ruth Canier reported that the popcorn sale held, least week, was a huge success.

The next regular meeting of the group will be Tuesday at 1:30 p. m. Program chairman, Mrs. Sophie Evans, will have the yearly program books ready for distribution among the members.

Mrs. Louise Eliasen and Mrs. Evans will report on the Seventeenth district meeting. A few words will be added by Mrs. Marge Woodside, Redwood City, and Mrs. Ilda Marquis, Palo Alto, who also attended the district meeting.

President Rasor urges all members to attend this meeting. A very interesting afternoon's program has been arranged. Demonstration will be given by Mrs. M. Barker's third and fourth grades. Refreshments will be served at the close of the meeting.
